March 2015

Dear Friends,

**Greetings in Jesus Name. Our Team visit to India with eleven persons went very well.**

For the first time we had more men than women and a high standard of musical talent. The men sang together and sounded great and uplifting. The children enjoyed learning new action songs and of course appreciated the gifts and new clothes we gave them.

**Our humble efforts with group singing, dramas, puppets, testimonies & preaching** brought many (213) people to Christ and many healed of various health problems. The Team was also very generous and gave of themselves and money for various needs. One Pastor had five rather urgent requests and the Lord met every one of them through GNLM funds and the Team. We gave generously to the lepers, the elderly widows, the blind and the children. They were all so grateful. For us, "it was more blessed to give than to receive."

**Persecution against Christians is increasing in India and our people have to make adjustments** in the way they do things but the Lord is helping them and giving them wisdom to carry on their good work. When we were there all buildings were at a standstill owing to the Government's new rules. At last there is a release of materials and progress is being made with our Buildings.

**We will continue to take Teams into India and the next one is scheduled for approximately the 7th January to 30th January.** An earlier departure date is at the request of our Indian friends. We would like earlier commitments with deposits this time. So if interested in this exciting trip then please contact us soon. You will never be the same after going on this Team to see India first hand.

**We are making some changes to the administration and also the Trustee Board.**

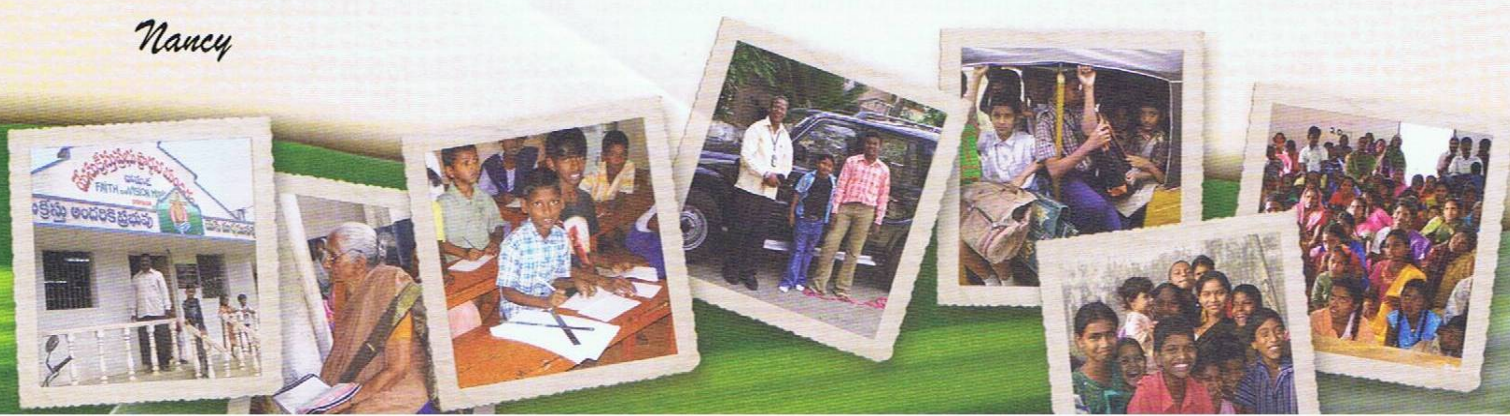

I am thankful for all those who have worked hard to bring the ministry to where it is today. Younger energetic persons have indicated their desire to be involved so we are moving along in the process of change. Another meeting will be held in Auckland on **March 28th**. Please pray for these positive changes so we can move forward in effectiveness and efficiency.

**As our World faces many horrific things I am reminded that Jesus told us of all these things himself** and all that was spoken by the prophets of old as well as Paul's writings must be fulfilled. It makes me more sure than ever that our Work is essential in getting the Gospel to every person on the Planet before it's too late. Thank you so much for being a part of what we do and for praying especially while we were traveling in India. You share in the reward.

**May the Lord Bless you abundantly and keep you "happy and healthy and holy" is my prayer.** Dwight L Moody said "A Holy life will produce the deepest impression. Lighthouses blow no horns they only shine."

Lovingly,

*Nancy*

encouraged to confirm early so we can get the best airfare deal.*

## **TESTIMONIES FROM INDIAN TEAM VISIT:**

### **Pastor Peturu's Church in Bhimavaram**

- My name is Murali & a 36 year old woman. I was suffering from severe back pain which scans & tests proved to be early stages life threatening bone marrow cancer. The medications I took did not work. I was invited by my Auntie to come to the Christian meeting and responded to the invitation to receive prayer for healing and was instantly healed. This miraculous healing has now been proven by further tests & scans & the Doctors are amazed. I have got rid of my idols I had worshiped & accepted Jesus as my personal Saviour.
- My name is Srinivas & was a depressed suicidal person. I was invited to attend the meeting held by Samuel John & visiting team. Although I tried to get rid of the suicidal thoughts but I could not. When I heard the preaching I was able to know who I was & my position in Christ, my depression departed. My skin allergy has also been healed. Thank God for my healing & deliverance.

### **From Faith & Vision, Kakinada**

- Mr. Abraham, Pastor Livingstone's elderly father was unable to walk & is now walking.
- Mr. Satish, 24 year old man from Upada Village fell from high building & damaged his spine. After prayer he is improving.
- Mrs Bharathi had severe pain in her stomach for 4 days. After prayer she was instantly healed & later held a thanksgiving service in her house.
- Kausalya, 10 yrs old girl had a problem with her eye causing pain. After prayer she is OK & back at school.
